LA GUÍA

"Diversity Through Inclusion"

Dear friends,

La Guia has picked your organization as one of several groups which we would like to keep in contact with for the purpose of exchanging information and possible coalition building in the future.

We will be sending you " La Carta" (our monthly newsletter) so you may be aware of our activities. The only thing we ask is that you place La Guia (pronounced `la GEEya') on your mailing list in the near future.

La Guia is a cultural awareness and advocacy group from the communities of Colorado Springs, Pueblo, San Luis Valley and the surrounding mountain communities that encourages the inclusion of Hispanic/Latin Lesbians, Gays Bisexuals and their friends by providing a diverse forum that is both autonomous and interactive within the greater Gay and Lesbian community. (note: La Guia recently approved a request from several Denver residents for expansion of La Guia into Denver.)

La Guia feels that by supporting interaction between diverse groups we can encourage a better understanding between culturally, racially and ethnically different gays, lesbians and bisexuals.

We hope our interaction will benefit your constituents as much as we believe it will help us. Our address and phone number are:
